REVIEWS

"Until this cruise, I didn't know one person could sing opera, country, and showtunes so beautifully. Courtney, the lead female singer, brought down the house multiple nights in a row with her exceptional performances."
-Johnnyjet.com

"Cunningham has a magnificent coloratura soprano voice...she shows that she can act when Sarah gets tipsy in the Havana restaurant. This is the best scene in the show!"
-Daily Sun

"Courtney Cunningham as Mabel has an outstanding operatic soprano voice. She really hits those high notes with ease."
-The Observer
